EVARC Ribbon Cutting & Open House

On Tuesday July 15th at 10:00 am there will be a Ribbon Cutting Ceremony by Estes Park town officials and Estes Park Medical Center officials to inaugurate the opening of the Estes Valley Amateur Radio Club's Emergency Radio Room at the Estes Park Medical Center. After last year floods, when the town and area communities were without communications, the Estes Valley Amateur Radio Club responded providing necessary communications to Larimer County and State officials along with the general public for several days. Afterwards, it was felt that a permanent location would be a more effective way to accomplish these Public Service communications. Thanks to a donation from the Estes Park Sunrise Rotary Club and the Estes Park Medical Center, an Emergency Radio Room has been set up. Please join us at 10:00 am on Tuesday, July 15th for this ribbon cutting celebration and open house. Please enter the Estes Park Medical Center, 555 Prospect Ave. on the West side of the building. The Radio Room Entrance is between the Prospect Park Living Center entrance and the Emergency Department entrance. Refreshments will be served.
